DATA PROTECTION NOTICE

Under the General Data Protection Regulation (EU) 2016/679 and associated legislation, we are required to protect any information or data you provide to us. As a member of the Scheme, you consent to us processing your personal information, including sensitive personal information, as set out in this notice. We process personal information, including sensitive personal information, to enable us to administer the Scheme. Where necessary or required we may share information with various individuals or organisations. Where we use other organisations in the course of administering the Scheme, they are contractually obliged to treat any information or data passed to them as confidential. In certain limited circumstances, we may share your personal information with the sponsoring employers of the Scheme. Where necessary, we may also provide personal information to law enforcement authorities as part of a criminal investigation. Further information regarding data protection, including the Scheme's privacy notice, is available on the Scheme website.
